Matthew 22:37
(HBC 2019 memory verse)

SEPTEMBER 2019

Dear friend,

This month we read the remainder of the prophets that we have only read twice and a book we have only read the once! The last of the epistles only read thrice are followed by the start of Matthew, last read in 2017.

As a permanent memento of this year's Holiday Bible Club I include some of the group art for this year's bible stories. Enjoy!

In His name,
Tony
